Note: Prices presented in this document are excl. VAT unless otherwise noted

SECURITY FEST WINTER PUB

ABOUT SECURITY FEST WINTER PUB

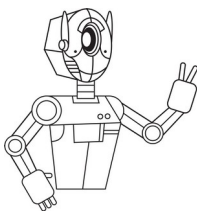

WinterPub is an informal community event where people from across the cybersecurity ecosystem meet for talks, discussions and networking in a relaxed setting. The idea is simple: good conversations, interesting perspectives, and lots of time to talk to each other.

The theme this year is **Digital Sovereignty** – exploring questions around trust, resilience, governance and technological independence in an increasingly complex digital landscape.

Last year's WinterPub gathered **around 180 participants** from different parts of the cybersecurity community for a full-day event with talks, networking, quiz activities and community interaction.

One of the sponsors organized an on-premise CTF challenge, which became a great way to bring people together and spark conversations throughout the day.

(Images from last year's event can be found below.)

SECURITY FEST WINTER PUB

SPONSORSHIP

4 - SLOTS AVAILABLE

To keep the event community-focused and ensure good visibility for each sponsor, the number of sponsors is limited to four.

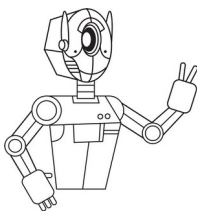

The sponsorship includes:

- **30-minute speaking slot** during the event program (exact timing can be scheduled flexibly within the program)
- **Dedicated booth/table space** at the venue, where sponsors can set up rollups or similar materials and organize small interactive activities
- **Visibility in event communication** and promotional material
- **5 tickets** to the event

Sponsors are also welcome to organize small activities during the networking sessions – for example lock picking challenges, mini CTF tasks or other hands-on activities that naturally encourage conversations between participants.

Price	40 000 SEK
